

RESIDENTS' FILMING NOTIFICATION

Bovingdon Airfield Studios · October – November 2026

Mammoth Productions Ltd

Bldg 1, Q Suite
Warner Bros Studios Leavesden
Warner Drive, Leavesden
Herts WD25 7LP

20th October 2026

Dear Resident,

We are writing to give you advance notice of preparation and filming activity at Bovingdon Airfield Studios for a feature film being produced by Mammoth Productions Ltd.

We are working with Bovingdon Airfield Studios management and Dacorum Borough Council to discuss our proposed activities, operating hours, and the measures we will take to minimize disruption to the surrounding community. We know that residents living near the airfield may notice some of this activity, so we want you to hear about it from us first.

AT A GLANCE

Where	Main Runway, Bovingdon Airfield Studios
Night filming	Tuesday 3rd – Friday 6th November, and Monday 9th November
Loud effects end	11.00 pm on all filming nights
Helicopter	One day — Friday 6 November preferred (5th or 9th November as weather alternatives)
Clear-out	From Tuesday 10th November

PROPOSED SCHEDULE

Daytime Preparation begins in the week commencing 19th October, with activity building towards our filming dates.

Dates	Proposed activity
29th Oct – 30 th Oct	Main preparation period: lighting, vehicle rehearsals and technical testing. Lighting tests will take place on Thursday 29 and Friday 30 October and may continue into the evening.
3rd – 6th November	Night filming. Helicopter filming on Friday 6 November (preferred date).
9th November	Final night of filming.
From 10th November	Removal of equipment and associated infrastructure.

WHAT TO EXPECT

Filming will involve vehicle action sequences, specialist camera equipment, temporary lighting and controlled special effects.

Noise and special effects. There will be periods of increased activity and noise during filming, including controlled special effects that may involve loud bangs. All loud effects are planned to finish by 11.00 pm. Filming will continue after that time, within applicable noise restrictions and with measures in place to minimize disturbance.

Helicopter filming. We propose to use a helicopter for one filming day. Friday 6th November is our preferred date; Thursday 5th and Monday 9th November are alternatives if weather prevents flying. We will complete all helicopter activity by 11.00 pm. The helicopter will fly over the main runway where we are filming and, if required, land within the studio site. This action may be repeated over multiple takes to achieve the desired shot.

Lighting. We will use temporary film lighting during preparation, testing, and filming. Some lighting may be visible from surrounding properties, particularly on night shoots. We will take reasonable steps to limit unnecessary light spill.

Gunfire: One of our action vehicles is mounted with a gun, which may be used for filming effects until 11.00 pm on each day of filming. We will notify the relevant authorities and emergency services in advance of any planned gunfire, providing details of the location, dates and anticipated timings.

WORKING WITH THE COMMUNITY

We recognise the importance of managing our activities responsibly, particularly given the proximity of homes to Bovingdon Airfield Studios. Our Locations Department will coordinate closely with the studio management and the relevant authorities throughout the production period.

The activities and arrangements described here remain subject to the necessary discussions and approvals. We will let residents know of any significant changes.

Questions or concerns?

Contact the Locations Department

Vinnie Jassal | Location Manager (DAY PREP HOURS) – 06:00 – 18:00

Telephone 07792 323 246 Email Vinnie.jassal@warnerprod.com

Keir Fraser | Assistant Location Manager (NIGHT SHOOT HOURS) – 15:00 – 06:00

Telephone 07738 047 655 Email Keir.fraser@warnerprod.com

Please contact the person covering the relevant hours above. We will endeavour to answer all calls promptly. If a call is missed we will return it as soon as possible.

Thank you for your understanding and patience while we carry out our work.

Yours sincerely,

Vinnie Jassal
