Section 3 – External Auditor's Report and Certificate 2025/26

In respect of **Bovingdon Parish Council - HT0019**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2026; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2025/26

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1, Assertion 1 has been incorrectly completed, information brought to our attention by the Internal Auditor highlighted that the council has not formally agreed and minuted the precept. This is consistent with the Internal Auditor's response to Internal Control Objective D.

Section 1, Assertion 10 has been incorrectly completed, information brought to our attention by the Internal Auditor highlighted that the Accessibility statement needs reviewed and that there is no Privacy Statement. This is consistent with the Internal Auditor's response to Internal Control Objective O.

The AGAR was not fully completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- Information has come to our attention from the internal auditor highlighting the fact that the fixed asset register does not include all assets held by the smaller authority. The smaller authority should undertake a review of its fixed asset register and restate Box 9 for 2025/26 in the 2026/27 AGAR as appropriate. We also note that the valuation of a building in Box 9 has been incorrectly stated as £1,400,000 and should be £1,250,000. With regard to this building, the smaller authority should obtain appropriate legal advice on whether the asset formally belongs to the smaller authority or the Bovingdon Memorial Hall Charity.
- The smaller authority confirms that has incorrectly treated a fixed term bond as a short-term investments, however they are a long-term investment. As such they should be accounted for as fixed assets in Section 2, Box 9 rather than as a bank balance in Section 2, Box 8. The transactions to account for the bonds as fixed assets need to go through the AGAR as acquisitions or disposals in the period they are acquired or redeemed. The smaller authority should restate the 2025/26 figures when completing next year's AGAR to correct the accounting treatment and account for any long-term investments in accordance with the Practitioners' Guide in future.
- The smaller authority has included Community Infrastructure Levy (CIL) income not yet received in Section 2, Box 3. CIL income must be included in the year in which it is received. Section 2 Boxes 3 and 7 should read £137,790 and £382,343.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has confirmed that it has not complied with the governance Assertion in Section 1, Box 9, but it has provided the appointed auditor with an adequate explanation for non-compliance and details of the actions necessary to address weaknesses identified.

The date for Section 2 has been incorrectly recorded on the AGAR. The minutes of the meeting at which the AGAR was approved have been reviewed and demonstrate that Sections 1 and 2 have been approved in the correct order. The smaller authority should ensure that the correct dates are recorded on the AGAR in future.

3 External auditor certificate 2025/26

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2026.
